20% Homework

20% Chapter Tests  
20% Final Exam

### **MAKEUP POLICY**

1. Students are responsible for material covered during their absences. It is the responsibility of the student to consult with the instructor about work missed and make-up assignments. It is a good idea to exchange phone numbers with one or two other students for times when you miss a single class.
2. Homework: Must be turned in by due date for credit. Consult instructor in case of illness.
3. Quizzes: No make-ups unless you do so prior to the next class meeting following the quiz. Missing one quiz will not count against you. Missing several will count.

### **ATTENDANCE**

**Class will begin at the scheduled time. Please be on time, as coming and going disrupts the class. Attendance is essential and daily records will be kept.** A student may be dropped for excessive absences after missing more than two weeks of class. Consult with the instructor in case of serious illness or business reasons for absence. Students will lose points on the participation grade for every class missed over two weeks. Absences will be counted from the first class day of the semester, no matter when the student registers or first attends.

### **POLICY ON ACADEMIC DISHONESTY**

Students are expected to do their own work, unless an assignment is made specifically as a group assignment. Plagiarism (handing in another person's work as your own), or cheating will result in a grade of F for the assignment, quiz, or test in question. For a second offense, the student may receive a grade of F for the course.

### **CELL PHONES AND BEEPERS**

Please turn off all cell phones and beepers before class. Their use disrupts the class.

### **DISABILITY SERVICES**

Students who require reasonable accommodations for disabilities are encouraged to register with the Center for Students with disabilities in order to make necessary arrangements. Instructors are authorized to provide only accommodations requested by this office.
