University of Houston
Graduate College of Social Work
3511 Cullen Blvd, Room
Houston, Texas, 77204-4013

Phone: 713.743.5223
Office: 426
Email: Jbagneris@uh.edu

EDUCATION

Doctor of Philosophy, Social Work, Florida State University **May 2012**
Dissertation: "Development and Implementation of a Socioculturally Transformative Social Emotional Learning Intervention for Pre-Service Teachers"

Master of Social Work, Tulane University **December 2016**
Concentration: Child and Family Practice

Bachelor of Psychology, Baylor University **May 2015**
Minor: Child and Family Studies

RESEARCH INTERESTS

Trauma; Children and families; Socioculturally informed research, practice, and intervention; Biopsychosocial development and dynamics; and Anti-racism, equity, and social justice

ACADEMIC APPOINTMENTS

Assistant Professor 2022 – present
University of Houston, Graduate College of Social Work

RESEARCH EXPERIENCE

A. Project Management

Interaction of Intersectional Discrimination and Biopsychosocial Outcomes 2021 – present
Florida State University, Center for Population Sciences and Health Equity
Supervises two undergraduate students throughout each semester. Conducts systematic reviews on intersectional discrimination, psychological health, and cardiovascular outcomes.

School-Based Interventions on Psychosocial Outcomes of Children 2019 – present
Florida State University, College of Social Work
Supervises a team of two undergraduate students, three MSW students, and two doctoral students. Trains the team to conduct systematic reviews following PRISMA guidelines. Conducts quantitative data analyses, including meta-analyses. Leads and prepares manuscripts to disseminate results.

Creating A Truer Self Program 2016 – 2018
The Institute of Women and Ethnic Studies

JESSICA BAGNERIS, PHD, LMSW

Curriculum Vitae

Developed a program teaching young Black girls about their mental health. Supervised a team of four health facilitators. Implemented a program with 30 girls weekly. Trained participants to recognize symptoms of trauma, process stressors, and implement coping skills. Developed pre- and post-test measures to assess program success. Conducted data analysis of outcome measures. Applied and was awarded a \$20,000 foundation grant.

B. Interdisciplinary Collaboration

Center for Population Sciences and Health Equity 2019 – present
Florida State University

Collaborates with interdisciplinary teams to conceptualize concepts, conduct research, and prepare manuscripts. Compiles and imputes data. Conducts statistical analyses. Conducts literature searches for literature reviews. Prepares manuscripts for publication. Submits various NIH- & NIMH-level grants with teams for funding large-scale research projects. Conducts research focusing on the behavioral health, cardiovascular health, mental health, and sexual health of marginalized groups.

Center for Technology Intervention and Assessment in Schools 2019 – present
Florida State University, College of Education

Collaborates with interdisciplinary teams to conceptualize concepts, conduct research, and prepare manuscripts. Conducts research focusing on the utilization of technology in intervention and assessment to modify behavior among school-aged children. Disseminates research through manuscript publication and conference presentations.

Interaction and Media Sciences Lab 2019 – present
The University of Nevada, Las Vegas, Department of Teaching and Learning

Prepares manuscripts for articles and book chapters. Works in teams composed of students, faculty, post-docs, and consultants to develop research ideas and conduct appropriate methodologies and analyses. Collaborates with interdisciplinary teams to conduct research to understand technology from the human perspective, specifically focusing on human learning, behavior, and socio-emotional competencies.

Tulane Innovations in Positive Parenting Study 2016
Tulane University, School of Public Health

Collaborated with an interdisciplinary team of 15 researchers within social work, public health, and psychology departments. Recruited potential participants for the study. Interviewed participants in person via phone interviews. Compiled statistics and managed data. Engaged with an interdisciplinary team.

C. Research Assistantships

Florida State University, College of Social Work 2018 – 2020

Compiles literature and conducting article reviews for literature reviews. Conducts quantitative analysis on secondary data. Conducts searches and preparing manuscripts for various systematic reviews and meta-analyses. Conducts statistical analyses for research articles. Preparing manuscripts for publication.

JESSICA BAGNERIS, PHD, LMSW
Curriculum Vitae

Tulane University, School of Social Work 2016 – 2018
Conducted coding and up-coding. Compiled literature for literature reviews. Utilized qualitative methodologies and analyses. Presented on findings at a national conference.

The Waco Veterans Medical Center 2014 – 2015
Consolidated files for psychological evaluations. Interpreted results to determine the progress of patients. Located files and analyzed sample kits for research purposes. Compiled data into master files and cleaned data for analysis. Conducted phone screens with patients.

PRACTICE EXPERIENCE

The Institute of Women and Ethnic Studies December 2016 – June 2018

Believe in Youth – Louisiana! Health Facilitator

Facilitated evidenced-based trauma-informed adolescent sexual health intervention sessions and activities. Practiced and utilized classroom management skills. Educated youth about sexual health, healthy intimate and familial relationships, and mental health. Coordinated recruitment and retention of project partners and participants. Developed materials for programs and initiatives. Distributed programmatic and health information at community events. Conducted data entry for project monitoring and evaluation. Provided programmatic support, including

JESSICA BAGNERIS, PHD, LMSW

Curriculum Vitae

report development. Administered Biopsychosocial assessments to youth ages 11 to 19 to assess their emotional wellbeing and trauma exposure. Conducted suicide screenings and brief crisis intervention for youth who affirmed suicidal ideation. Connected youth to in-school resources to respond to their trauma and create outlets for their emotional distress. Engaged with interdisciplinary coworkers and staff to develop best practices for working with youth.

Plaquemines Community C.A.R.E. Center

January 2016 – December 2016

Social Work Intern

Conducted individual, family, and group psychotherapy with diverse populations. Developed treatment plans based on assessment information and client needs. Developed and maintained relationships with outside agency representatives, such as probation officers, school personnel, medical personnel, and court officials. Participated in weekly interdisciplinary case reviews and consultations. Facilitated suicide prevention training with teachers at a local high school. Taught coping mechanisms, social skills, conflict resolution, etc. Assisted clients with problem-solving, reframing thoughts, and formulating realistic goals. Communicated with outside agency representatives such as probation officers, school personnel, and court officials. Completed written progress notes and other paperwork for client files.

CareNet of Central Texas

August 2013 – May 2014

Volunteer

Assisted adolescent girls in coping with their unplanned pregnancy. Connected clients with resources. Answered questions regarding pregnancy and resources in the community.
